

than 30 days after the certificate holder receives the notice, unless the certificate holder petitions the Administrator to reconsider the amendment, in which case the effective date is stayed by the Administrator.

(3) If the Administrator finds that there is an emergency requiring immediate action with respect to safety in air transportation or in air commerce that makes the procedure in this paragraph impracticable or contrary to the public interest, the Administrator may issue an amendment, effective without stay, on the date the certificate holder receives notice of it. In such a case, the Administrator incorporates the findings, and a brief statement of the reasons for it, in the notice of the amendment to be adopted.

(c) A certificate holder may submit a request to the Administrator to amend its program. The application must be filed with the Administrator at least 30 days before the date it proposes for the amendment to become effective, unless a shorter period is allowed by the Administrator. Within 15 days after receiving a proposed amendment, the Administrator either approves or denies the request. Within 30 days after receiving from the Administrator a notice of refusal to approve the application for amendment, the applicant may petition the Administrator to reconsider the refusal to amend.

#### § 108.27 Evidence of compliance.

On request of the Administrator, each certificate holder shall provide evidence of compliance with this part and its approved security program.

#### § 108.29 Standards for security oversight.

(a) Each certificate holder shall ensure that:

(1) Each person performing a security-related function for the certificate holder has knowledge of the provisions of this part 108, applicable Security Directives and Information Circulars promulgated pursuant to § 108.18, and the certificate holder's security program to the extent that the performance of the function imposes a need to know.

(2) Daily, a Ground Security Coordinator at each airport:

(i) Reviews all security-related functions for effectiveness and compliance with this part, the certificate holder's security program, and applicable Security Directives; and

(ii) Immediately initiates corrective action for each instance of noncompliance with this part, the certificate holder's security program, and applicable Security Directives.

(b) The requirements prescribed in paragraph (a) of this section apply to all security-related functions performed for the certificate holder whether by a direct employee or a contractor employee.

#### § 108.31 Employment standards for screening personnel.

(a) No certificate holder shall use any person to perform any screening function, unless that person has:

(1) A high school diploma, a General Equivalency Diploma, or a combination of education and experience which the certificate holder has determined to have equipped the person to perform the duties of the position;

(2) Basic aptitudes and physical abilities including color perception, visual and aural acuity, physical coordination, and motor skills to the following standards:

(i) Screeners operating X-ray equipment must be able to distinguish on the X-ray monitor the appropriate imaging standard specified in the certificate holder's security program. Whenever the X-ray system displays colors, the operator must be able to perceive each color;

(ii) Screeners operating any screening equipment must be able to distinguish each color displayed on every type of screening equipment and explain what each color signifies;

(iii) Screeners must be able to hear and respond to the spoken voice and to audible alarms generated by screening equipment in an active checkpoint environment;

(iv) Screeners performing physical searches or other related operations must be able to efficiently and thoroughly manipulate and handle such
